### **ENERGY ASSISTANCE PROGRAMS APPLICATION JULY 2023 – MAY 2024**

### Terms of Agreement

### I agree

To pay my Percentage of Income Payment Plan Plus (PIPP) amount for my electric and/or natural gas service every month.

To go to my local energy assistance provider or to energyhelp.ohio.gov to reapply at least once a year with updated household information, and income documentation in order to remain eligible.

To contact my local energy assistance provider or go online to energyhelp.ohio.gov to report any changes to my total household income or number of household members, within 30 days of the change.

To accept any energy efficiency programs offered by Development or its designated providers, if eligible.

To allow my utility companies to release my name, address, telephone number, household member information, amount of my utility usage, and total past due amount to Development and agencies performing weatherization services and/or provide other energy related services.

To allow Development to release my name, address, telephone number, household member information, and current status to the utility companies, and other energy assistance providers.

To allow Development to share my usage and demographic data with organizations contracted by Development to evaluate the programs administered by Development.

#### **I understand**

I will not be re-verified if I owe any PIPP payments. I must make up these payments by the next billing cycle, or the due date given to me by my utility companies.

If I miss three or more consecutive payments, I will receive a notice on my bill and have one billing cycle after the notice to make up payments or be dropped from PIPP.

If I do not re-verify my income at least once every 12 months, I will be dropped from PIPP.

If I do not make up missed PIPP payments by my stated anniversary date, I will be dropped from PIPP (I understand the PIPP verification and anniversary dates are printed on the utility bills each month).

If I make my PIPP payments in full and on time every month, I will receive a credit for 1/24th of my total past-due amount, and I will not need to pay the difference between my PIPP payment and my actual bill amount.

If I reapply for PIPP and I am not eligible, or if I choose to be removed from PIPP, I can enroll in Graduate PIPP for up to 12 months after the date I am removed and still receive credits toward my past-due amounts owed on my utility accounts.

If I move out of the service area for my gas/electric company, I can enroll in the Post PIPP program to make payments on my closed account and receive credits toward the past-due amounts.

I am legally responsible for all past-due amounts on my gas and/or electric accounts and if I am no longer enrolled in PIPP, the past due amounts will become due. If these past-due amounts are not paid in full, the utility companies may use any standard means of collection for the past-due amounts on my accounts.

I may appeal if my application is not decided upon within 12 weeks. I also may appeal within 30 days if I disagree with my benefit amount or if I was denied assistance.

### **General Authorization**

An applicant who provides inaccurate income or household composition information risks: being dropped from PIPP and/or other energy assistance programs; being ineligible to reapply for 24 months; having arrearage credits added back on to their utility bill; and/or receiving a bill from their utility (ies) for the full account balance.
