LANDLORD LETTER

Dear Landlord/Agent:

One of your tenant(s) _____ has applied to our program for free weatherization on your property. Under a federal program we can provide materials and labor, at no cost to you, to make energy saving improvements to your property.

Our trained crews/contractors can install attic, sidewall, and floor insulation, reduce air leakage, and provide maintenance on the heating system as needed.

The purpose of this program is to save energy and fuel, and to help your tenant save on fuel cost. We feel this program will benefit both you and your tenant.

If you are willing to give your consent to make these energy efficiency improvements, we simply ask that you sign the attached agreement.

This agreement will allow us to enter your property to make the improvements. Rent increases and evictions: this part of the agreement simply asks you not to raise the rent or evict the tenant because of the work we have done. The agreement does not stop you from raising the rent for any increased cost (that is not a result of the work). However, your tenants may file a complaint with us should they believe that increase is unjustified. In that case, we will ask you to prove that the reason for the increase is not the weatherization work. You may still evict the tenant if the tenant does not meet his or her legal obligations to you. Sale of the property: This part of the agreement asks that you inform us should you intend to sell the property during the period of the agreement. If the property is sold during the term of the agreement, you must reimburse us for the cost of the work done or obtain a written agreement from the new owner to continue the terms of the agreement.

If you agree, please sign the agreement and return it by mail as quickly as possible, and if you have any questions, please feel free to call our office between 8:00 a.m. and 4:30 p.m., Monday – Friday.
